## The Proxy Program: An Invitation

You've just experienced the power of scent to unlock memory, emotion, and deep states of consciousness. Now, we invite you to help share it.

### Become a Local Guide for a Global Journey

The Proxy Program is a partnership for hypnotists and wellness practitioners like you. It's an opportunity to bring The Incense Journey™, a live, virtual event led by John Launius, to your local community.

As a Proxy, you are not the performer; you are the anchor. You hold the space, prepare the sacred scents, and facilitate a seamless, profound experience for your guests while they connect to the live-streamed event. You become the bridge between the ancient art of incense and modern hypnosis.

**You provide the space. John provides the guidance. The incense provides the transformation.**

### What's Involved? The Simple Logistics

#### Your Role

- Secure a quiet, comfortable space for your group.
- Promote the event to your community.
- Handle local registrations and payments.
- Set up a simple viewing station (TV/monitor & speakers).
- Prepare the provided incense materials before the event.

#### Our Commitment to You

- A unique Zoom link for each event.
- All incense materials and descriptions sent to you.
- Promotional materials to help you market the event.
- Clear instructions and a pre-event check-in with John.
- A straightforward revenue-sharing agreement.

**The goal is a turnkey experience. We provide the content and materials so you can focus on your community.**

### Why You'll Love Being a Proxy

#### Expand Your Practice

Add a unique, powerful, and recurring event to your calendar (every 6-8 weeks). Offer your existing clients something new and attract a wider audience interested in deep, sensory experiences. This is your chance to showcase your own local offerings to an engaged group.

#### Harness the Limbic System

As a hypnotist, you know the power of the subconscious. Scent offers a direct, non-verbal pathway to the limbic system, the seat of memory and emotion. By hosting, you facilitate profound, lasting change for your participants in a way that words alone cannot.

### Ready to Begin Your Journey as a Proxy?

If you feel the call to share this powerful work, we would be honored to partner with you. The next step is a simple conversation to ensure this is the right fit for everyone.

#### Create a New Revenue Stream

This partnership includes a generous revenue-sharing model. It's a simple way to supplement your income by doing what you love: creating transformative experiences for others.
